huts in the vicinity of the vicarage.
The second part of the letter was devoted to a criticism of the quality of the water supply.
The clerk was instructed to deal carefully in regard to the stones etc., as the council was anxious to avoid the possibility of precipitate or an untimely departure of the construction gang before proper completion of some of the smaller ancillary works.
In regard to the water supply it was considered that an approach should be made to the Craven Water Board for the allegation to be investigated.

Street Lighting Energy Crisis — A request to reduce fuel consumption by 10% had been received, and as one light was out of action it was decided to leave this off for the time being.
proposed: Clls. Hunter
seconded: Clls. Mrs Millman

Estimates 1974 — The usual letter was received from SRDC requesting information as to the monies required by Horton Parish Council for the financial year 1974-75, and the clerk was asked to submit an application for:-
£130 General Expenses & £120 Lighting

Joint Footpaths Committee — The chairman advised that the next meeting would be held on 5 Feb. 74 and that a subscription of £5 (five pounds) was due for payment. It was agreed that the council should continue to be represented on this committee.
proposed: Mrs S. Millman
seconded: G. Hunter.

County Road B.6479 — Councillor Sutcliffe outlined the desirability of seeking improvement to the road from Settle to Horton particularly that part of road between Helwith Bridge and Horton. It was pointed out that there were certain factors which might make such an application gain easy approval at this time. It was agreed that an application be made.

Water Supply & Rubbish St. Oswald's Vicarage

The Craven Water Board acknowledged the complaint in regard to the allegations regarding quality of the water supply.

Street Lighting Energy Crisis

The worsening of the crisis made further economies necessary and it was decided to arrange for the lights to be switched off at midnight.

Joint Footpaths Committee

The chairman advised that there would shortly be a meeting and it might be worthwhile to keep in mind the existence of the committee and the useful work which it could do for the area.

County Road B.6479

There had been publicity given to the decision to allocate resources to the improvement of the road between Helwith Bridge and Horton. The vice-chairman Cllr. C.W. Sutcliffe expressed satisfaction at the outcome in response to the request that this section of road be given attention.

Craggy Hill Road Kerbstones.

This work was still outstanding It was noted that SRDC had not acknowledged this request and a further follow-up was to be sent.

Wall opposite Burnside House

This was also still outstanding and similar action was requested.

Crooks Bridge Chapel Lane

This was similarly neglected and follow-up action was requested.

W.I. Tree Planting

The Womens' Institute had offered to plant another tree and the clerk was asked to acknowledge this

gesture and to suggest that the trees be put in line with those previously donated.
i.e. between the Burial Ground and the "Knoll" on the verge alongside the main road.

Memorials — W. S. Hodgson & Co. requested permission to erect a memorial to Mr & Mrs A E Wildman. (£5)
The design was in accordance with the requirements of the council and the clerk was authorised to write and confirm that the memorial was in order.

Interment of Ashes. — An approach by Mrs Jenny Lund requesting that consideration be given to the burial of ashes of the late Thomas Henry Lund was approved.
It was agreed that it would be necessary to purchase a normal grave space. This in fact created a precedent in Horton Burial Ground.

Burial Ground Padlock — The purchase of a new padlock for the door of the Graveyard Hut was approved. Proposed by Cllr. J. H. Morphett Seconded by Cllr. G. Lunn.
