

in the description of this allotment which contains in the Measure 35 acres 3 roods and 22 perches. Then was to the allotment or share of the sd Anthony Lister the Grandson upon the sd Sealber in lieu of his sd 8 battlegs then we allot & set apart for him a certain other parcel thereof bounded as next hereafter mentioned (that is to say) Towards the south by the sd northerly limits of the sd John Cookson's sd share from the sd mark made at and for the East end thereof at the sd Highway side westward to the sd mark made at & for the West end thereof And by the sd northerly limits of the sd Robert Carter's sd share so far further westward as to a mark made by us in the line thereof 5 Roods & an half to the west of the last mentioned mark Then towards the Southwest by a Row of Marks which we have made in a direct line Northward from the last described mark to another mark by us made at the distance of twenty one Roods from thence Then first towards the North By another Row of Marks which we have made in a direct line Eastward from the last described mark to another mark made by us at the distance of 14 Roods & an half from thence Then towards the West by another Row of Marks which we have made in a direct line nearly Northward from the last described mark to another mark made by us at the distance of 38 Roods & an half from thence Then towards the North again by another Row of Marks which we have made in a direct line eastward from the last described mark to another mark made by us at the side ^{of the} Highway first above directed to be laid out over the sd Sealber 47 Roods from the sd West Check or side of the sd High hill Farm Gate and towards the East by the same Highway from the last described mark to the mark first mentioned in the description of this allotment which contains in the Measure 38 acres one rood and 17 perches Then was to the allotment or share of the sd William Dawson (son of the sd Josias Dawson) upon the said Sealber in lieu of his sd 3 battlegs then we allot & set apart for him a certain other parcel thereof bounded as next hereafter mentioned (that is to say) Towards the northeast by the last above mentioned Highway from the West Check or side of the sd High hill Farm Gate to the mark above mentioned to be made at the side of the same Highway 47 Roods from thence Towards the South first by the sd northerly limits of the sd Anthony Lister's share from the last mentioned mark westward to the mark before mentioned and intended for the North end of the said westerly limits thereof And then by a Row of Marks which we have made in a direct line from the last mentioned mark westward to a mark made at the nearest corner thereof of the last named William Dawson's inclosed lands called the New fields Then towards the northwest by the sd New fields from the before mentioned corner thereof to the high end of the same next to the sd High hill pasture and towards the North by the sd High hill pasture from the sd High end of the sd New fields to the sd West

Check or side of the sd Leigh hill Farm Gate with last above described allotment contains in
the sd 16 acres wood & perch Then as to the allotment or share of the sd Charles
Abbotson upon the said Scaleber in lieu of his 7 Cattle & an half and Right
for 7¹/₂ and Rent thereon the allot and set apart for him a certain other parcel thereof bounded
as next hereafter mented (that is to say) first towards the North by the sd southerly limits
of the last named William Dawson's sd share from the sd mark made at the first before
mented Corner of his sd new fields to the mark before mented and intended to be the
North end of the sd westerly limits of the sd Anthony Lister's sd share Towards the
east and south by the sd westerly and first mented Northerly Limits of that same
share from the last mented mark to the mark before mented and intended to be the
Northwest end of the sd Southwesterly Limits thereof Then towards the southwest by
a Row of Marks which we have made in a direct line Northwestward from the last
mentioned mark to another mark made by us at the distance of 82 Roods from thence Then
towards the North-west by another Row of Marks which we have made in a direct line
Northward from the last described mark to another mark made by us in the
presence of the sd Charles Abbotson's New fields 48 Roods Northwestward from the sd
first mented Corner of the last named William Dawson's sd new fields meaning as the
fences thereof and of the sd Charles Abbotson's sd New fields go and are set And then
towards the Northeast and North again by the sd new fields from the last described
mark to the mark first mented in the description of this allotment which contains in
the sd 17 acres & 28 perches Then as to the allotment or share of the said John
Mattin upon the sd Scaleber in lieu of his 26 Cattle and Right for
7¹/₂ and Rent thereon the allot and set apart for him a certain other parcel thereof
bounded as next hereafter mented (that is to say) first towards the Northwest
North & Northeast by the inclosed grounds of the sd John Baynes Mary
Chamberlaine & Charles Abbotson called the new fields from a mark which
we have made 6 Roods Eastward from the South Corner of the sd John
Baynes's new fields to the mark before mentioned ^{to be made} in the sd Charles Abbotson's
New fields fence at and for the Northeast end of the sd Northwesterly limits of
his sd share Then towards the Southeast & Northeast by the sd Northwesterly
and Southwesterly Limits of the sd shares of the sd Chas Abbotson & Anthony
Lister all along from the last mented mark first Southward & then
Southward to the mark before mented and intended for the West end
of the sd southerly limits of the sd Anthony Lister's sd share & placed as a post
in the line of the sd northerly Limits of the sd share of the sd Robt Carr Then
towards the South by those same Northerly Limits from the last mented

Mark westward to the Mark westward to the Mark before mentud to be made
in the sd Sweet Close fence Then towards the Southwest by that same
fence from the last mentioned Mark Northwestward to another Mark made
thrin at the distance of 20 Roods from thence Then towards the Northwest again
by a Row of Mark wch we have made in a direct line Northward from
the last described Mark to another Mark made by us at the distance of 16 Roods
from thence Then towards the Southwest again by another Row of Marks wch
we have made in a direct line Northwestward from the last described Mark to
another Mark made by us at the distance of 75 Roods from thence Then partly
towards the South east again by another Row of Marks wch we have made
in a direct line Southwestward from the last described Mark to another Mark
made by us at the distance of 10 Roods & an half from thence And then partly
towards the Southwest again by another Row of Marks wch we have made
in a direct line nearly Northwestward from the last described Mark to the Mark
first mentud in the description of this allotment wch contains in Statute Measure
3 Roods & 11 perches Then as to the allotment or share of the sd Robert Roberts
upon the sd Scaleber in lieu of his sd 8 Cattlepts throu the allot & set apart for
him a certain other part thereof bounded as next hereafter mentud (that is to say)
Towards the southeast by the sd Ino Martin's sd share from the Mark last
mentioned to be made in the sd Sweet Close fence to the Mark before mentud
and intended for the Northeast end of the sd last mentud Northwestly part
of that same share Then towards the Northeast by that same share for the
sd space of 75 Roods all along upon the before mentud Row of Marks made
from the last mentioned Mark Northwestward to the Mark at the North
west end thereof Then towards the North west by the sd Row of Marks
made for the last mentud South easterly Limits of the sd John Martin's sd
share from the last mentud Mark for the sd space of 10 Roods & an half
Southwestward from thence And then by a Row of Marks wch we have made
and continued on from thence in a direct line still Southwestward
to a Mark made by us in the fence of the sd William & John Brinkbecks
Nave fflowere Acee 73 Roods & an half to the Northwest of the last mentud
Mark in the sd Sweet Close fence And then towards the Southwest by the
sd Nave fflowere Acee W^{ch} Bollands Close commonly called
Goulton Close and the said Sweet Close to the said Mark
first mentud in the description of this allotment which contains
in Statute Measure 13 acres 2 Roods and two perches

Then as to the allotment or share of the sd William Burkbeck & John Burkbeck upon the sd Scalebe in lieu of their sd 12 Cattlepts throu we
 the allot & set apart for them a certain other parcel bounded as next hereafter mentud (that is to say) Towards the South east by the sd northwesterly limits of the said share of
 Robert Roberts from the sd Mark made in the fence of the sd Nave fourscore wa
 acre northeastward to the Mark before mentud and intended for the Southeast
 end of the partly south westerly limits last mentud ^{in the description of the sd Robert Roberts's share then towards the North east by those same limits from the last mentud} Mark to the Mark first
 mentioned in the above Description of that same share Then towards the
 North by the sd John Baynes's sd New fields from the last mentioned
 Mark westward to the South corner thereof Then towards the Northwest by
 a Row of Marks wch we have made in a direct line southwestward from
 that same Corner to another Mark made by us in the sd Nave fourscore
 acre fence all along from the first to the latter of the two last mentud
 Marks wch last above described allotment contains in Statute Measure ^{meas} and
 8 pchs Then as to the allotment or share of the sd Mary Chamberlaine
 upon the sd Scalebe in lieu of her sd Right for 1/3 anckent throu we allot and
 set apart for her a cert^o other parcel bounded as next hereafter mentud (that is to say)
 Towards the South by a Row of Marks wch we have made in a direct line
 westward from a mark made by us at the west side of the sd John Baynes's
 sd new fields 24 Roods & an half northward from the sd South corner thereof
 to another Mark made by us at the distance of 6 Roods & an half from the sd
 Mark made at the west side thereof Towards the West by a Row of Marks wch we
 have made in a direct line Northward from the last described Mark to another
 Mark made by us at the distance of 12 Roods from thence Towards the North
 by another Row of Marks wch we have made in a direct line eastward from
 the last described Mark to another Mark made by us in the fence of the sd
 Henry Town's Newfields 36 Roods and an half northward from the sd South
 corner of the sd John Baynes's sd Newfields And towards the East by the
 sd New field of the sd Henry Town Mary Chamberlaine and John Baynes
 from the last described Mark to the mark first mentud in the description
 of this allotment wch contains in the Meas 3 Roods & 9 pchs Then as to the
 allotment or share of the sd John Baynes upon the sd Scalebe
 in lieu of his sd 8 Cattlepts and Right for 1/3 anckent throu we allot and set apart for him
 all the residue and remainder thereof not herefore partly described and set apart and
 wch is bounded Towards the North by the sd High hill pasture Then first towards
 the East by the sd Henry Town's sd Newfields so far Southward as the Mark above mentud

to be made in the fence thereof for the east end of the sd northerly limits of the sd Mary-
Chamberlaine's sd share Then towards the South by those same northerly limits from
the last mented Mark to the sd Mark made for the North end of the sd southerly limits of
that same share Then towards the north again by those same southerly limits from the
last mented Mark to the Mark first mentioned in the description of the sd Mary Chamberlaine's
sd share to be made at the West side of the sd John Baynes's sd New fields Then towards
the East again by the last mented New fields from the last mentioned Mark to the before
mentioned South Corner thereof Then towards the South east by the before mented Row
of Marks made from thence Southward for the sd northerly limits of the sd Mary & John Baynes's
sd share to the sd Mark made at the South west end of those same limits in their sd Mark
four score Acre fence And then towards the South west and west By the sd Mary four score
Acre and the bottom of the Lane called Mitchell Lane from the last mented Mark down
to the Gate leading in at the Northwest corner or low end of the sd Sealer's wch last above
described allotment Contains in all the quantity of 80 Acres 3 roods & 30 pchs So that the quantities of all
the sd sd allotments shares & pchs laid out and set apart as above upon the sd Sealer's being
added together amount to 796 Acres 3 roods & 30 pchs and Acres being added thereto for the
Lane laid out in and for the sd Highways or publick Roads through that same pasture
make up 805 Acres 3 roods & 30 pchs herefore mentioned to be the contents thereof in the whole
And we do hereby order & award that the sd sd allotments shares & pchs of each of the sd
pastures called Little Banks High leave & Sealer's herefore mented to be allotted and
set apart for the sd sd owners proprietors & persons intituled to the sd sd numbers of
Sheep's Cattle's and Rights for odd and Rent thereon respectively as above mented shall be
the separate and distinct shares of all and every the sd parties and interested persons
as above allotted and set apart for them and shall accordingly be held in severally
by them severally & respectively in full Peace Satisfaction and compensation for all
their and each and every of their sd sd respective Numbers of Sheep's Cattle's & Rights
in and throughout both and each or either of the sd two pastures directed to be divided
amongst them as above & And according to the sd tenures of their sd sd Cattle's
Sheep's and Rights hereabove respectively mentioned subject only to such Rights
privileges Charges Ways passages watercourses orders and regulations as are hereafter
ordered awarded directed and appted of for and concerning the same shares respectively
Then as to the manner in wch all and every the sd sd allotments or shares of the sd
proprietors and interested persons in and upon the sd two pastures shall be divided
one from another We do hereby order and award That the same shall all be done by
good stone walls in all places made 3 1/2 Inches broad in the bottom and 5 ft & 6 Inches high
under a Stone not exceeding 3 Inches in thickness wch shall be laid upon & over the top of

the walls in every part That there shall be laid in a Workmanlike manner 14 good
Ploughs in every Rod of fence The first y to be laid on at the height of 2 ft from
the ground and the walls at that height to be 2 feet broad and the second y to
be laid on at the height of 3 ft 6 inches from the ground and the walls at that height
to be 20 Inches broad and so to latter or decrease gradually to the Tops wch shall not
be anywhere less than 14 Inches broad And whereas there is contained in the above in
part recited act a certain Clause in the words following (that is to say) "And it is
" hereby further enacted by the authority aforesaid that when the sd two studded pastures
" or Commons hereby directed to be inclosed shall be set out ascertained and allotted by
" the sd Comites or their Successors or the Survivors or any three or more of them as aforesaid
" by such Justs or Writing as is hereafter mentioned the sd persons to whom the sd two studded
" pastures or commons shall be allotted respectively shall within 18 Months after the signing
" & sealing the sd Instrument or Writ at their own expense respectively inclose hedge ditch wall
" and set out their sd lots shares & portions of the same ^{in such manner} as the sd Comites and their
" Successors or the Survivors or any three or more of them shall direct or appoint"
On account of wch Clause some doubts have arisen whether we the sd Comites had
a power to order and direct what parts of the sd new fences each of the sd proprietors
or interested persons respectively should erect and make But whereas it would from
the nature & circumstances of the Case upon sev^{al} Accounts be not only unreasonable
but impossible for every one of the sd proprietors and interested parties to inclose his lot
or their several and resp^{ive} allotments or shares of the sd two pastures And it
must also unavoidably happen ^{that} by that means (if it was practicable) the Owners of two
shares at least (that is to say) of one share upon each of the sd pastures could not have
any fence at all to make and many other obstructions w^od arise wch might not
only delay but entirely defeat the Intent and purpose of the sd Act And whereas
after the last above recited Clause in the sd Act it is by the before recited Clause
that we direct in what manner our Award shall be drawn up & what it shall
contain (after specifying divers particular Matters and things) enacted that it shall
(amongst other things) also contain Orders and directions for hedging ditching Walling
and fencing the same And such other orders regulations & determinations as shall be proper
and necessary to be inserted therein conformable to the true Intent purport & Tenor of
the sd Act And it hath thereupon been thought both by the sd Comites and the
sd proprietors and interested parties to be both ^{useful} & equitable proper & necessary that
we sh^d consider of & order regulate determine and set down what parts of the
sd intended new fences as well against the sd Highways over the sd two
pastures as betwixt party and party each of the sd proprietors and interested

patrons first erect and make or be at the expence of erecting and making Now
Therefore and for the reasons aforesaid we do hereby certify that we have calculated &
proportioned the length ^{of} such new fences according to the best of our Judgment and
deliberately and impartially considered how much and what parts of the same the
said several owners & proprietors ought in Reason and Equity to erect and make for &
in respect of their said several & respective shares. And therefore
we do by these presents order and award touching and concerning the Erecting
& Making not only the intended new Division fences between party and party
but also the fences to be erected and made against the said lanes and Highways over
the said two pastures in manner and form following And first as to the Erecting
& Making all the said intended new fences upon the said Little Banks High Scare
we order & award that the said John Martin or the future Owner, or (s) of
his said allotment or share thereof for the time being shall for and in respect thereof erect &
make or cause and procure to be erected and made at his, or their own proper expence
all the fence between the same and the side Highway leading from Little to
Grassington all along from the said Hallsteads Gate through the said Little Banks High
Scare to the Southeast corner thereof And likewise all the new fence to divide
his said share on the said Little Banks High Scare from the said share of the said Robt.
Hosker Richd Redmayne Thos Redmayne and Robt Slinger thereon (except a
Gate bumper mentioned and directed to be made hung and maintained thereon by them)
We further order & award that the said Robert Hosker Richard
Redmayne ^{Thomas Redmayne} & Robert Slinger or the future Owner or (s) of their said
allotment or share on the said Little Banks High Scare for the time being shall for and
in respect thereof erect and make, or cause and procure to be erected & made at
their own proper expences all the intended division fence betwixt their said share
thereon and the share of the said William Brown In the next place we order &
award that the said William Brown or the future Owner or (s) of his said allotment
or share on the said Little Banks High Scare for the time being shall for & in respect
thereof erect and make or cause or procure to be erected and made at his, or
their own proper expence a certain part of the intended division fence betwixt
his said share and the said share of the said Thos Clapham begining at the side of the said
Hallsteads pasture & extending 50 Rods northward ^{from thence} (save only a Gate bumper mentioned
& directed to be hung and maintained thereon by the said Thos Clapham) and also a certain
part of the intended division fence betwixt the said shares of the said Thos Clapham
and Hugh hall begining also at the side of the said Hallsteads pasture and
extending 40 Rods northward from thence (except also a Gate bumper mentioned)

intended fence
of the said

and directed to be made hung and maintained by the sd Thos Clapham and
also a certain part of the intended Division fence betwixt the sd shares of the sd
Thomas Clapham & Hugh Hall begining at the side of the sd Hallstead & a
pasture & extending 40 Rods Northward from thence (excepty also a Gate knuffter mentid
& intended to be made hung & maintained thir by the sd Hugh Hall) In the
next place we order and award that the sd Thomas Clapham or the future
Owner or (s) of his allotment or share on the sd Settle Banks High Seave for the time
being shall for and in respect of the same erect and make or cause and procure to be
erected and made at his or their own proper expence all the Remt of the sd intended
Division fence betwixt his sd share and the sd share of the sd Wm Brown begining at
the North end of the before mentid 50 Rods and also a certain other part of the sd
intended Division fence betwixt his the sd Thos Clapham's sd share and the share
of the sd Hugh Hall begining at the North end of the sd 40 Rods hereby before directed
to be made by the sd Wm Brown & extending 50 Rods further northward from thence
In the next place we order and award that the sd Hugh Hall or the
future owner or (s) of his sd allotment or share on the sd Settle Banks High Seave
for the time being shall for and in respect of the same erect or make or cause
or procure to be erected and made at his or their own proper expence All the remt
part of the sd intended Division fence betwixt his sd share and that of the said
Thos Clapham not hupore directed to be made by the sd Wm Brown and Thos
Clapham and also a certn part of the intended Division fence betwixt ^{his} the
sd Hugh Hall's share & the sd share of the sd Jno Richardson ^{of Settle} begining at the
side of the sd砵砵砵 closes and extending 68 Rods North and Northwestward
from thence being to a Mark wch we have made opposite to a place called the
Horse Cave (cave and except another Gate knuffter mentioned and directed to be
made hung and maintained by the sd John Richardson of Settle in the last
mentioned parcel of fence) In the next place we order and award that the sd
Jno Richardson of Settle or the future Owner or (s) of his sd allotment
or share on the sd Settle Banks High Seave for the time being shall for and
in respect of the same erect and make or cause or procure to be erected and made
at his or their own proper expence All the remt part of the sd intended
Division fence betwixt his sd share thron and that of the sd Hugh Hall
not hupore directed to be made by the sd Hugh Hall And also all the
intended Division fence betwixt his sd share of him the sd John Richardson
of Settle and that of the sd John Richardson of Snaresborough (except a
Gate knuffter mentid and directed to be made hung and maintained by him

the sd John Richardson of Haresborough) And likewise all the intended
Division fence betwixt the sd John Richardson of Haresborough's sd share and
that of the sd Anthony Lister In the next place we order and award that the said
Anthony Lister or the future Owner or (s) of his sd allotment or share on the sd
Settle Banks High Scare for the time being shall for and in respect of the
same erect and make or cause or procure to be erected and made at his or their own
proper expense all the sd intended division fence betwixt his sd share and that
of the sd John Richardson of Settle and also a certain part of the division fence
betwixt his the sd Anthony Lister's sd share and the sd share of the sd Robert Carr
beginning at the side of the sd High hill pasture and extending 48 Rods as the said
Marks are placed from thence towards the closes called the Clay pits (except
a Gate also hereafter mentioned and directed to be made hung and maintained
by the sd Robert Carr in the last mentioned part of fence) In the next place
we order and award that the sd Robert Carr or the future Owner or (s)
of his sd allotment or share on the sd Settle Banks High Scare for the time
being shall for and in respect of the same erect and make or cause or procure
to be erected and made at his and their own proper expense all the remaining part
of the sd intended division fence betwixt his sd share and that of the said
Anthony Lister which is not herebefore directed to be made by him the sd Anthony
Lister In the next place we order & award that the sd Mary
Chamberlaine or the future Owner or (s) of her sd allotment or share

future Owners and occupiers of that his sd share shall always make hang & maintain
or cause or procure to be made hung and maintained a Gate proper & sufficient for
a way or passage designed by us and hereby directed to be had and made for all uses
and purposes in the sd new fence directed to be maintained by him as aforesd betwixt
that his sd share and the share of the sd Anthony Lister on the sd Little Banks
High Seave. In the next place we order and award that the sd Anthony
Lister and all future Owners and occupiers of the sd share allotted and set
apart for him as above upon the sd Little Banks High Seave shall after the sd intended
new fences are once made and finished, as aforesd always maintain and uphold at his and
their own proper costs and charges all the before mented so Roads of the sd Division
fence betwixt that his sd share and the last mented share of the sd Robt Carr and
southward from the sd Claypits And also all the sd Division fence betwixt that his
the sd Anthony Lister's sd share and the sd share of the sd Jno. Richardson of Settle on
the sd Little Banks High Seave And shall also have the same way to and from
that his the sd Anthony Lister's sd share for all uses and purposes whatso: that is hereby
awarded for the sd Robt Carr to and from his last mented share and so across that same
share into and out of the last mented share of him the sd Anthony Lister And that he
the sd Anthony Lister and all future Owners and occupiers of his sd share shall
always make hang and maintain or cause or procure to be made hung and maintained
a Gate proper and sufficient for a way or passage designed by us and hereby directed
to be had and made for all uses and purposes in the sd new fence directed to be maintained
by him as aforesd betwixt his last mented share and the share of the sd Jno. Richardson
of Settle on the sd Little Banks High Seave In the next place we order and award,

End of 18th Nov
(19)

That the sd John Richardson of Knaresborough and all future Owners
and occupiers of the sd share allotted ~~alotted~~ and set apart for him as above^d upon
the sd Settle Banks High Seave shall after the sd new fences are once made and
finished as afores^d always maintain and uphold at his and their own proper Costs
and Charges All the sd Diron fence betwixt that his sd share and the sd share of the sd
Anthony Lister Thron, and shall also have the same way to and from that his sd share for
all uses and purposes whatev^r that is here before awarded for the sd Anthony Lister to and
from his last mentioned share and so across the South end of that same share through
the most convenient part of the sd Jno. Richardson of Settle's share first here mentioned
and so into and out of that sd share of him the sd Jno. Richardson of Knaresborough
on the sd Settle Banks High Seave And that he the sd Jno. Richardson of Knaresborough
and all future Owners and occupiers of that his sd share shall always make hang & maintain
or cause or procure to be made hung and maintained such a Gate & in such part of the
sd Diron fence betwixt the same and the share of the sd Jno. Richardson of Settle first
here mentioned as he and they shall think most proper and convenient In the next place
we order and award, that the sd John Richardson of Settle and all future Owners
and occupiers of the sd share allotted and set apart for him as above^d upon the sd
Settle Banks High Seave shall after the sd intended new fences are once made as
finished as afores^d always maintain and uphold All the Division fence betwixt
that his sd share and the share of the sd Jno. Richardson of Knaresborough Thron
And also all the Division fence betwixt that his the said Jno. Richardson of Settle's
sd share and the sd share of the sd Hugh Hall, (except the Roods thereof beginning at a
Mark there made opposite to a place called the Horse Cave and extending Southeastward
and south to the side of the sd Attornice closes wh^{ch} is here directed to be maintained
by the sd Hugh Hall) and shall also have the same way to and from that his
the sd Jno. Richardson of Settle's sd share for all uses and purposes whatev^r that is
here last before awarded for the sd Jno. Richardson of Knaresborough And that
he the sd Jno. Richardson of Settle and all future Owners and occupiers of his
sd share shall always make hang and maintain or cause or procure to be
made hung and maintained a Gate proper and sufficient for a way or
passage designed by us and hereby directed to be had and made for all uses
and purposes in the sd new fence betwixt his last mentioned share and the share
of the sd Hugh Hall first here mentioned In the next place we order &
award that the sd Hugh Hall and all future Owners & occupiers of the sd
share allotted and set apart for him as above^d on the sd Settle Banks High Seave
shall after the sd intended new fences are once made & finished as afores^d always

maintain & uphold all the 5th 60 Roods of the 5th Division Fence betwixt that his 5th share & the last mentioned share of the 5th John Richardson of Settle beginning at the South end of that part thereof which is hitherto awarded to be maintained by him the last named John Richardson And also so much of the 5th division fence betwixt his the 5th Hugh Stalls 5th share & the 5th share of the 5th Tho^s Clapham beginning at the side of the 5th Langcliffe Seave & extending southwards as is not hereinafter awarded to be maintained by the 5th Will^m Brown & Tho^s Clapham And shall also have the same way to & from his the 5th Hugh Stalls 5th share for all uses & purpose whatsoever that is hereinbefore awarded for the 5th John Richardson of Settle to & from his last a mentioned share & so through the most convenient part of that same share into & out of the 5th share of the 5th Hugh Stall And that he the 5th Hugh Stall & all future owners & occupiers of his 5th share shall always make hang & maintain or cause or procure to be made hung & maintained a gate ^{proper} sufficient for a way or passage designed by us & hereby directed to be had & made for all uses & purposes in that part of the 5th new fence betwixt his 5th share & the 5th share of the 5th Tho^s Clapham wch is hereinafter awarded to be maintained by the 5th Will^m Brown In the next place we order & award that the 5th Thomas Clapham and all future Owners and occupiers of the 5th share allotted and set apart for him as aboveaid on the 5th Settle Banks High Seave shall after the 5th new fences are once made and finished as afores^d always maintain and uphold fifty Roods of the 5th Division fence betwixt his 5th share and the 5th share of the 5th Hugh Stall begining at the distance of 40 Roods Northward from the side of the said Hoallheads pastures and extending further Northwards to the South end of that parcel of the same Division fence wch is hitherto awarded to be maintained by the 5th Hugh Hoall And also all the 5th Division fence betwixt his the 5th Thomas Clapham's 5th share and the 5th share of the 5th Will^m Brown (except 50 Roods at the South end thereof hitherto awarded to be maintained by the 5th Will^m Brown) And shall also have the same way to and from his 5th share for all uses and purposes whatsoever that is hitherto awarded for the 5th Hugh Hoall to and from his 5th share and so across that same share into and out of the 5th share of him the 5th Tho^s Clapham And that he the 5th Tho^s Clapham and all future Owners and occupiers of his 5th share shall always make hang and maintain or cause or procure to made hung and maintained a gate ^{proper} & suff^t for a way or passage designed by us and hereby directed to be had and made for all uses and purposes in the 5th new fence betwixt his 5th share and the 5th share of the 5th Will^m Brown after the division thereof if ever they shall be divided And in the next place we order & award that the 5th William Brown and all future Owners and Occupiers ^{of the 5th share} allotted and set apart for him as aboveaid on the 5th Settle Banks High Seave shall after the 5th intended

new fences are once made & finished as aforesaid always maintain and uphold all the said
remaining 40 Roods of the sd Division fence betwixt the sd shares of the sd Hugh Hall
and Thos Clapham extending from the side of the sd Hallheads pasture to the
south end of the sd 50 Roods of the same division fence hereabove awarded to be
maintained by the sd Thos Clapham And also the sd 50 Roods at the south end of
the sd Division fence betwixt the sd share of him the sd William Brown and the
sd share of the sd Thos Clapham And shall also have the same way to and from
his sd share for all uses and purposes whatsoever as is herebefore awarded for the sd
Thomas Clapham to and from his sd share and so across that same share
into and out of the sd share of him the sd William Brown And here we
think proper to declare that the Reason of our awarding the above mentioned
40 Roods of the sd division fence betwixt the sd shares of the sd Hugh Hall
and Thos Clapham to be maintained by the sd Wm Brown and the future Owners
and occupiers of his sd share was that the sd Thos Clapham & Wm Brown signified
unto us that they intended not to divide their sd two shares one from the other but that
the same should always lie together in one and the same Inclosure But in case they the
sd Thos Clapham and Wm Brown or any of the future Owners of their said shares
shall ever divide and fence them one from the other We order and award that the sd
Wm Brown or any future Owners of his sd share shall not maintain or uphold any
part of the sd Division fence betwixt the sd shares of the sd Hugh Hall and
Thos Clapham but that the sd 40 Roods thereof herebefore awarded to be maintained
by the sd Wm Brown shall always then after be maintained and upheld by
the sd Thos Clapham and the future Owners of his sd share for the time
being And the sd Wm Brown and the future Owners of his sd share for the
time being shall always maintain and uphold 40 Roods more of the sd Division
fence betwixt his sd share And that of the sd Thos Clapham extending
Northwards from the North end of the sd 50 Roods thereof herebefore awarded to be
maintained by him the sd Wm Brown AND as to the maintaining
upholding of all both the sd Division fences, and lane fences upon the sd
Scalebet after they shall be once made and finished as aforesaid And as to all
ways and passages wch may be necessary & proper to be made use of for all or
any purpose or (s) whatsoever to and from all and every the sd several allotments or
shares throu respectively And also as to the making hanging & maintaining
all Gates wch may be necessary and proper to be made hung and maintained
for the most commodious and advantageous enjoyment use and occupation
of all and every the sd sd allotments or shares respectively without any undue preference

And as for the way to and from that sd share of the sd Jno Ellershaw for all uses and purposes whatsoever We order that he and all future Owners & Occupiers thereof shall and always may pass and repass up and down the sd Mitchell Lane and along the sd anch way through the sd flax fowere Acre and also through the sd Hackin Gate and the sd share of the sd David Swaill along by the side against the sd flax fowere Acre And through the Gate before directed to be made hung and maintained by the sd Jno Ellershaw In the next place we order and award that the sd Josias Morley and all future Owners and Occupiers of the sd share allotted and set apart for him as above sd on the sd Sealer shall after the sd new fences are once made & finished as aforesd always maintain and uphold at his and their own proper Costs and charges All the sd bwn fences betwixt that his sd share & those of the sd Jno Ellershaw David Swaill and Richard Foster And as for the way to and from his the sd Josias Morley's sd share for all uses and purposes whatsoever (besides the way or passage for the particular purpose hereafter mented) We order and award that he the sd Josias Morley and all future Owners and occupiers of his sd share shall and may always pass & repass up and down the sd Mitchell Lane and along the sd anch way through the sd flax fowere Acre And likewise through the sd Hackin Gate and the sd David Swaill's sd share And a Gate wch we award to be made hung & maintained by or at the expence of the sd Josias Morley and the future Owners and occupiers of his sd share for the time being in such place in the sd Division fence betwixt the sd shares of him and the sd David Swaill as he the said Josias Morley and such future Owners & Occupiers of his sd share shall thinke most convenient In the next place we order and award that the said John Richardson of Settle and all future Owners and occupiers of the sd share allotted and set apart for him as above sd upon the sd Sealer shall after the sd new fences are once made and finished as aforesd always maintain and uphold at his and their own proper Costs and Charges All the sd Division fences betwixt that his sd share and those of the sd Josias Morley & Richard Foster and shall also have and make use of besides the way or passage for the particular hereafter mented) the same way to and from that his the sd Jno Richardson of Settle's sd share for all uses and purposes whatsoever that is here ordered for the sd Josias Morley to and from his sd share and so across that same share through a Gate wch we order and direct to be made hung and maintained by or at the expence of the sd Jno Richardson of Settle and the future Owners & occupiers of his sd share for the time being in such place in the sd Division fence betwixt the sd shares of him & the sd Josias Morley as he the sd Jno Richardson of Settle and

future Owners and Occupiers of his sd share shall think most convenient, And in
the next place we order and award that the sd John Richardson of Snaresborough
and all future Owners and Occupiers of the sd share allotted and set apart for him as
above upon the sd Scaleber shall after the sd new fences are once made & finished as
aforesd always maintain and uphold at his and their own proper costs and charges
all the sd Division fences betwixt that his said share and those of the sd Josias
Morley and Jno. Richardson of Settle, and shall also have and make use of besides
the sd way or passage for the particular purpose hereafter mentd, the
same way to and from that his the sd Jno. Richardson of Snaresborough's sd share
for all uses and purposes, whatsoe'r that is herefore ordered for the sd Jno. Richardson
of Settle to and from his sd share on the sd Scaleber and also through that same
share and a Gate wch we order and direct to be made hung and maintained by
or at the expence of the sd Jno. Richardson of Snaresborough & the future Owners &
occupiers of his sd share on the sd Scaleber for the time being in such place in the
sd Division fence betwixt the sd shares of him and the sd Jno. Richardson
of Settle as he the sd Jno. Richardson of Snaresborough and such
future Owners and Occupiers of his last mentioned share shall think most convenient
And we further order & award that the sd David Swail Josias Morley John
Richardson of Settle & Jno. Richardson of Snaresborough and all future Owners &
occupiers of their sd sd shares on the sd Scaleber shall have and be intitled to a
passage to and from them severally and respively through the North end of the sd share
of the sd Richd Foster and so through those sd shares of each other at the Gates
herefore ordered to be placed in the sd sd Division fences betwixt them for the purpose
of carrying & leading Lime & Tillage only either on Horseback or in carts or Carriages
They the sd David Swail Josias Morley Jno. Richardson of Settle & Jno. Richardson
of Snaresborough and the future Owners & Occupiers of their sd sd shares on the
sd Scaleber for the time being always going through the sd Gate wch shall be hung
in the sd Richd Foster's sd share fence and making hanging & maintaining at the
joint & equal expence of them the sd David Swail Josias Morley Jno. Richardson
of Settle and Jno. Richardson of Snaresborough & such future Owners and
occupiers of their several last mentd shares a good and sufft Gate for the purpose
last before mentd at the north end of the sd westerly limits of the sd Richd Foster's
and doing as little damage in the sd share of the sd Richd Foster as
possible And also discharge and acquitting him the sd Richd Foster, and all future
Owners & occupiers of his sd share of & from all costs & charges and expences on acct
on account of the sd passage through his sd share for the purpose last mentioned

70

or of keeping the same in Repair And whereas when we made the sd Divisions
and allotted and marked out the abovementioned several allotments or shares of the
sd sd proprietors and persons interested in the sd two stinted pastures called
Settle Banks High Scare & Scaleber No Recompense or Consideration was
made by us either in Land or otherwise to any of the sd persons through the sd
sd allotments or shares of whom respectively we have hitherto ordered and awarded
the sd abovementioned New private ways or passages to be had and made use
of for the repairing and keeping in repair any such New private ways or
passages or any part or parts of the same or any of them NOW we do hereby
further order & award that none of the sd Owners or proprietors of the sd allotments
or shares or any of them through with the sd sd new private ways or passages
are ordered and awarded to be had and made use of respectively as aforesaid shall be
subject or liable to or charged or chargeable with the Reparation amendment
or keeping in Repair of any of such new private ways or passages or any part
or pts thereof respectively or any manner of Costs charges or Expences on that account
in anywise howsoever But that if and whenever any Reparation or amendment
of the same or any of them or any part or (s) thereof respectively shall be
 requisite and necessary to be made The same shall always be repaired and
 amended by the sd sd & respective Owners or Occupiers for the time being of the said
 sd allotments or shares for the use and benefit of whom respectively the sd sd
 new private ways or passages are hitherto respectively ordered & awarded And
WHEREAS there are in many parts adjoining to the sd two pastures called
Settle Banks High Scare & Scaleber several outfences which have formerly
 belonged to and been repaired and upheld by the Owners & Occupiers of the
 same respectively NOW we do hereby further order & award that the sd Owners
 and Occupiers of all and every the sd allotments or shares hitherto set apart with
 adjoin to the outfences at all or every or any of the Ends or sides of both & each
 or either of the sd two pastures called Settle Banks High Scare & Scaleber
 shall severally and respectively at all times after the sd Divisions & Inclusions ^{completed}
 at their own sd & respective proper Costs and Charges maintain and uphold
 all & every the sd parts of every of the sd out fences adjoining to their sd sd
 allotments or shares respectively which have hitherto belonged to and usually ^{been} repaired
 and upheld by the Owners and Occupiers ^{of the sd 2 pastures} called Settle Banks High Scare
 and Scaleber and each or either of them respectively By which means all & every
 the sd parties and interested persons are according to the best of our Judgment
 charged with the maintaining and upholding of an equitable & proportional

share of fence according to their severall and respective Numbers of Cattle & Sheep &
and Rights upon both and each or either of the sd two pastures wch without
this declaration might have seemed otherwise & but for the maintaining of such such
outfences as afo^{re} would really have been so In the next place we do hereby
certify & declare that the sd above ment^d allotments or shares upon the said
Settle Banks High Seave are laid out and set apart in such manner that
there is no necessity for any new Bridges or watercourses to be made upon
the same or any part thereof neither is it practicable to draw or make
any watercourses or watering places that would be of any Benefit or
advantage to any of the sd allot^s or shares thereon besides the Springs thereon
and the sd watercourses or Rivulets proceeding from the same and from
a Spring in the Boat Garth as the same now run so that we have nothing
to order direct or award on account thereof any further than is herebefore
expressed NOR is there any necessity or occasion as all the sd allot^s or
shares upon the sd Seave are herebefore laid out & set apart to make any
new Bridges for the use or on account of them or any of them AND as
for such watercourses cuts gripps and drains as may be necessary & proper
to be made for the more beneficial enjoyment of such of the sd allot^s or
shares upon the sd Seave as do or may want water or Improvement
We order & award that Whereas the sd Mr Brockbeck & Jno. Brockbeck
have not nor possibly can have any water in their share thereon but
water hath sometimes heretofore been drawn or carried by & along a
Gripp or cut made from the Well called Seave Well through that
parcel thereon wch is now allotted for the sd Jno. Baynes as above into the
low corner of their sd share four score acre just above the new fence made
across it They the sd Mr Brockbeck & Jno. Brockbeck and all future Owners
and occupiers of their sd share on the sd Seave shall at all times after their
sd Divisions & Inclosures are completed have full and free liberty Right
and privilege to open enlarge and keep open the sd old Gripp or cut (doing
as little damage therby as possible and draw and carry as much water as they
can or may think suff^{ic} by and along the same from the sd Seave Well
into the sd corner of their sd share four score acre so that by that means the
Cattle departing in their sd share of the sd Seave may come out of the
same to water in that their last ment^d Inclosure AND Whereas it is
uncertain whether or no there may at all Times be water in the said
allotment or share of the sd Mr Dawson son of the sd Jno's sufficient for the
