Dear Mr. Bull, Street Righting

I thought that perhaps you would like to know what transpired at our Parish meeting last Monday evening. 12 persons were present, as it is you can imagine there was quite a mixed feeling. Sheffield District were then in force & of course they do not want Street Righting. The most disappointing factor was that the very persons who it was going to be most beneficial to were absent so it appears they are not interested. However when it was put to the meeting the scheme was rejected by 20 votes to 19. So all the work has once again been in vain. Yr'd regards
