Withdrawal of Passenger Services.

Dear Mr. Butt,

Thanks you for your letter of 13th inst. I have on behalf of the above Council sent a letter objecting to the proposed withdrawal of local passenger trains.

I understand a letter is also being sent by the Womens Institute & I have asked the Young Farmers Club & the Mothers Union if they will do so.

I received a letter, which I enclose, from Mr. Binley, Headmaster of Horton School, & I included a copy in my letter to the Transport Users Consultative Committee.

I trust this is the information you require & I should be obliged if you will return Mr. Binley's letter for our file.

Yours faithfully,

14. 1. 69.Precept for Horton-in-Ribblesdale.

Dear Mr. Smith.

At the Parish Council meeting last night I was instructed to enquire the amount of money Horton can ask for. There is no indication on the back of the rate papers as to how Horton-in-R. Dale is rated.

The Council are anxious to know how much money is obtainable on a 1^d 2^d or 4^d rate. As you will probably recall Horton P.C. has already had a special precept of £80 last autumn for the Helwicks Bridge Bus Shelter.

Owing to increased costs with all night street lighting the Council are desirous of precepting for the maximum amount without increasing the rates unduly. I should be obliged if you can give me this information so that the forms can be completed & returned to you.

Yours faithfully

Road Improvements at
Horton-in-Ribblesdale.

Dear Sir,

At the Parish Council meeting last evening I was instructed to ask for a copy of the plan for the above alterations.

Owing to the increasing heavy industrial traffic to & from the I.C. 1 quarry & the danger to children & old people the residents of Horton are pressing the P.C. for details of what & when is to be done about this matter.

The Council therefore ask for details of these proposals so that the community can be satisfied that something is to be done to prevent a serious accident. I trust you will give this matter your urgent attention.

Burial Ground

Dear Sir.

At the Parish Council meeting last evening I was instructed to ask if you can give us any advice & information as to the purchase of new ground for burials.

The present cemetery at Horton-in-Ribblesdale will be full in another year or two & the Council would appreciate any help you could give as to the procedure for obtaining another site & the legal side of this matter.

I can assure you that any details will be welcome.

Dear Mr. Butt,

Thank you for
your letter of 14th inst.

The number of persons
using B.R. regularly, is small at
the present moment. I understand
three ladies use the 7.20 AM to Settle
each morning to work & return on
the 5.20 P.M. I myself travel on the train
to Settle approx every third Saturday.
& have noticed about 4 other persons

Mr. A. Carr (Chairman) of Horton
P.C. was unable to attend the meeting
at Settle on Wed. evening as the roads
up to Bracken Bottom were full of snow

I might add that one young man
from Burnley uses the rail most week-
ends up to Kirkby Stephen, he often dis-
mounts at Horton & stays the night
with us. I am afraid this is the only
information I have at present, perhaps more
tourists will be using the rail in a week or
two.

Dear Mr. Firth,

At the Parish meeting held last evening I was instructed to write complaining about the occupants of "Squirell Cottage" a small building off the highway in front of the Vicarage.

I understand there are no toilet facilities or Sanitation. The vicar & his wife are very upset about it. It seems the persons concerned just come outside to obey the calls of nature in full view of the Vicarage front windows.

I understand that Mr. J. H. Hooper, Horton's Rep. on the S.R.D.C has had a word with you about the matter, but

I should be glad if you could look into it at your very earliest convenience.

Perhaps you will let me have your observations on this in the near future

Dear Sir,

At the Parish Meeting held last night I was instructed to write concerning a complaint brought by the occupants of the Bungalows on Cragg Hill Rd. Horton-in-R. dale.

It appears that huge lorries coming from the lime works park in front of the Bungalows & block up the paths. In fact the Tenants have to almost climb over the front garden wall to get to the house or vice-versa.

The drivers of these vehicles are evidently having a meal or a rest. There is ample room further back towards the lime works but they will not use it. Perhaps you will look into the matter & let me have your observations on it.

Dear Sir.

Dales National Park
P.O. Box 10000, Harrogate
Horton-in-Ribblesdale

Thank you for your letter of
Nov 21st suggesting that a 'Lawn'
burial ground might be acceptable
at Horton. The P. Council considered
this but have no comments to make
at this stage.

The Council proposes to
invite the residents from the
nearby houses to attend the next
P.C. meeting & have a good dis-
cussion about their objections
to the extension of the burial ground.

I will let you have the
report of the meeting as soon as
possible.

Yours faithfully

Dear Sir,
 Proposed Extension to
 Busine Ground at Horton-
 in-Ribblesdale.

In answer to your letter of Dec
 5th /69.

We held our Council meeting
 last evening with the local residents
 who are objecting to the extension of
 the Busine Ground.

The residents refused to work
 draws their objection on the grounds
 being too near their homes.

The Council would be glad if
 you can give us any advice on
 any future procedure.

Redcliffe-Maud Report

Thanks you for your letter of
 27th inst. asking for Histon in. Redcliffe's
 views on the above report.

The Council have instructed me
 to reply that no advantages will
 be gained as far as a Rural Area
 is concerned, & they feel that local
 people should know more about
 their affairs than a host of Civil

Dear Sir,

Drawn at Helmsdale Bridge

I have been instructed by the above Council to draw your attention to the B.R. bridge at Helmsdale.

The Public right of way under the bridge is blocked by an accumulation of Silt & water.

I understand this matter has been brought to your attention some time ago & the Council feel that if it is not attended to at once they will bring it to the notice of the M.P. for this division.

I am also instructed to mention that the wreckage on the line-side from the train crash last year has still not been removed.

Dear Mr. Drayson,

Alternative Transport

I have been instructed to protest most strongly to you regarding the Minister of Transport's proposal to alternative transport to Ribblesdale when the local Passenger Trains are discontinued.

Up to the present time we have had eighteen small passenger trains per week, to & from the local stations & you will see from the enclosed letter from the M.O.T. that one but to Ribbleshead, on Thursdays only, is to be substituted.

The Council is most concerned for people who wish to visit relatives in hospitals & ask for your help to secure more ~~help~~ support for the Bus proprietors to run a more regular service to the outlying hamlets.

Dear Sir,

Alternative Transport

Thank you for your letter of 21st ult. enclosing a letter from the Minister of Transport regarding alternative transport to Ribbleshead when the local passenger trains are discontinued.

The Council thinks the alternative is very poor, to say the least & I enclose a copy of a letter I have sent to the M.P. for the division for his help to

secure more support for the Bus Proprietor to run a more helpful service to people in remote parts of the Dale.

Light at Car Park Entrance

The Council have indicated no task, if it is at all possible to have a light at the entrance to the new car park. I think it would be a great asset apart from lighting the entrance.

I see that some have broken some of the windows in of the telephone booth, this is not the first time by any means & I think if a light was placed near this would deter such practices.

The street lamps are too far apart & on a dark night this area is in total blackness.

Alternative Transport in Ribblesdale

I have been instructed by the above Council to ask if you can give us any assistance, regarding the N.O.T. alternative for the rail service for local passenger trains.

I enclose a letter copy which I have forwarded to Mr. Dryden M.P. of the Skipton division - you will see that a bus service indeed is to be substituted.

The Council thought that, through your organisation you can bring some pressure to bear on the Transport Ministry for more help for the bus proprietors to run a more regular service to the remote parts of Ribblesdale.

The Council would be very grateful for any help you can give.

Dear Mr. Wood,

Prop Conversion of Chapel to Village Hall

Thank you for your letter of 5th inst. in which you ask for the Parish Council's observations on the proposed conversion of the Wesleyan Chapel to a Village Hall.

The members think it is a very sound proposition & would like to point out that this was passed last year at the Annual Parish Assembly.

Thank you for the copies of letters enclosed.
