Snow Clearing

Complaint has been made that
Snow Clearing from the Bridge to High Beckwith
has been somewhat neglected & being pointed
out that this road did not get the attention
that should be expected and in some cases
many days has elapsed before anything was
done. I should be glad if you will kindly look
into this matter.

Dear Mr Bull

Dear Mr Station Prothon

Having completed an excellent improvement
at the corner of Station Btm. it is felt that it shall
leave rather a dangerous position. It is most difficult
to see either way if there is anything coming. I am
instructed to suggest to you that a minor fence
at a suitable point would over come this
regard. I trust you will find this makes your
sensible attention.

Yours faithfully

Beaverley Dub Cote

In April of last year a complaint was
made that the Best Bar at Dub Cote & new lines
were not being emptied. We were advised that this
would in future be carried out providing the
woman was able to get up. There has not been any
woman now able to get up. Almost any type of woman
collector desiring to post up, and the woman
that this has happened to these places, and the woman
is getting up the road to the reason for the none
wants to give to know the reason for the none
collection

over these two matters so that we can discuss what
action should be taken. If you will drop me a word I
will try to fit in.

June 17th 1964

Dear Mrs Pumbert.

I have your letter & memorial
The drawings I received were different from the
ones I got from Tomkinson. The single curb is
£1-1-0 and a stone at the head is also £1-1-0.
and that is the reason I had to make that £2-2-0
along. I have received payment of the £2-2-0 and
you will have to pay this to the people who have done
the work. As you might know I have been in bed again
for 3 weeks but am improving again now and hope to be
done again in due course. When I am able to get about
I will go & have a look at the memorial, and if I have
changes to make I will reply it to you.
I trust you are keeping alright. Kind regards
Yours sincerely
