Dear Mr^s Holmes

As near as I can I have
completed Maps, I may have
missed one or two little bit but as I
sit writing this I bethink myself
of one or two viz - a narrow strip
between Buck Croft in West Section
& Dean Croft this strip belongs to
Sparrk House & another small Croft
were the Church room is, belonging
to Dale House. There are 11 or 12 farms in the

these Sections & quite a few fields farmed from outside the village
so choose your Colours accordingly. Not forgetting Timmy Ruddle
belongs to Mr. J. Illingsworth & farmed by Harrison ^{Brother} ^{Smith} ^{Garth}
