300 take part in church fun run

MORE than 300 people turned out on Saturday to stretch their legs to raise money for a North Yorkshire church appeal.

The fun run, which attracted a number of people in fancy dress, raised more than £1,000 towards the £75,000 appeal to replace Giggleswick Parish Church roof.

The route took participants from the Craven Arms Hotel along a stretch of unopened Giggleswick bypass.

The appeal, launched five years ago, has raised just over £60,000.

Claire Hughes, left, won the children's fancy dress in her costume as a pumpkin.
