Dear Sir or Madam,
Very earnest appeals being made to you—this year of all years—to support to the utmost of your ability the Special Savings "Wings for Victory" Week, May 15th to 22nd.

In all districts we are staging photographs of local men and women serving in H.M. Forces and these exhibits will be associated with the motto:

"Give them the tools and they will finish the job"

Will you do all you can to help provide these tools and thereby ease the risks these men and women run and hasten their safe return?

The eyes of the whole world—friend and foe alike—are upon us. Let us show that we are **not** slackening and that we intend to see this business through.

Our Target is to provide **Three Sunderland Flying Boats** at £50,000 each, i.e. £150,000, and every person in the Settle Rural District (as elsewhere) is asked to invest in Government Securities up to the maximum of his or her capacity. The result, if this be done, will be a heartening one, not only for the R.A.F. to whom we owe so much, but to every branch of the Services and will be tangible proof of our faith in their ultimate success.

It is an old truism that money buyeth but to give it **Wings for Victory** is different. The money remains your own while the temporary loan of it will help to bring the War to a speedy end—surely the noblest use to which money can be put.

I confidently expect that you will regard this appeal as a matter of supreme importance and that you will respond even more whole-heartedly than on the two previous occasions—when you smashed the target handsomely—by making the biggest possible investment you can.

Yours truly,
John W. Kirkman
Director
