Dear Sir.

After the removal of the ~~pieces~~
desks, books, games, ect, from Selside
School, there are a few odds and ends
which want tidying up. One good form is
left which would be useful in some school.
The rest, two out of date old desks without
seats a ~~few~~ broken desk, and some
rubbish in the school shed, which wants
carting away. I wish to make an offer
of 15/- for everything and ~~to~~ get the rubbish
away.

Yours sincerely,

Dear Sir

The Combined Cadet Force of Kings College, Taunton (where I am on the teaching staff) are hoping to do an arduous training camp in the 3 peaks area of Yorkshire for 10 days during the latter half of April, 1964.

I have been informed at the Education Office in Wakefield, that both Selside and Helwitt Bridge schools are now no longer in use. Could you please let me know if there is any possibility of our hiring one of them as a sort of base camp, from where tented camping

expeditions can be made?

In all, there will be about 15 people on the camp,

I should be very grateful if you could communicate with me the possibilities of using one of the schools, and also the facilities, if any, which they possess.

Yours faithfully,

B. Sykes.

3rd January, 1964.

Dear Sir,

I refer to your letter dated 2nd January.

Selside School would not be at all suitable for you for it is now used for storage purposes but Helwith Bridge School is used for community purposes by the Horton-in-Ribblesdale Parish Council. I have no doubt you could come to some arrangement with the Parish Council with regard to the school building. You should get in touch with The Clerk to the Parish Council, Horton-in-Ribblesdale, Via Settle.

Yours faithfully,

Divisional Education Officer.

B. Sykes, Esq.,
