COUNTY COUNCIL OF THE WEST RIDING OF YORKSHIRE

EDUCATION DEPARTMENT

Education Office,

SETTLE.

24th June 1936.

Provision of Subsidiary Nourishment and Meals.
Procedure.

Dear Sir (or Madam).

In order to lighten the amount of clerical work involved in connection with the provision of subsidiary nourishment, amended procedure has been approved as from the 1st July 1936 as follows :-

REGISTERS. No further registers will be issued. Entries in the registers at present in the schools should cease on the 30th June, 1936, and after extracting any information which you may require, the registers should be forwarded to this office.

Form P.M.S. 7. This form becomes obsolete as from the 30th June but the present form requires to be completed up to and including the 30th June, shewing all issues up to that date.

**FORM P.M.S. 7
1936.**

This Form (two copies enclosed) supersedes the Register and Form P.M.S. 7, mentioned above, and comes into use on the 1st July. It should be noted that the Form covers each Calendar month and should be completed accordingly, (see paragraph 2 above) and not up to the last Friday in a month as previously. After issues have been made on the last day of the month, the form should be totalled and forwarded to this office immediately.

FORM P.M.S. 3a. It has been decided that the periods for the completion of Form P.M.S. 3a and the subsequent review of family circumstances shall be six monthly instead of quarterly as at present. It follows that in future Head Teachers should complete Form P.M.S. 3a twice yearly, during the first week in April and the first week of October. The Forms for completion in October will be forwarded to you in due course.

FORM P.M.S. 10 The use of the Stock Book may now be discontinued.

CONCLUSION. For the purposes of the Annual Return to the Board of Education, a circular will be addressed to Head Teachers during the first week in April of each year asking for the total number of individual certified cases who have been supplied with milk free during the preceding year. It is necessary that you should have this requirement in mind throughout the year and prepare accordingly. It should be noted that particulars required for the current month and in future are in respect of complete calendar months.

Yours faithfully,
E. J. W. Douglas
Divisional Clerk.
