DIVISION 31.

Horton-in-Ribblesdale Selside C/E J.M. & I. School.  
Furniture.

Mr. E. B. Nelson.

The Committee's Inspector has visited the the above-named school with your Mr. Riley, it is recommended that the existing single locker desks should be replaced by dual table desks so that, with suitable cloths, the dual tables can also be used as dining tables.

No doubt you will arrange for this replacement to be carried out as soon as possible and if you are unable to meet the cost from your estimates for the financial year 1955/56, please let me know so that if any Central funds are available, the matter can receive consideration in this office.
