THE OVERSEERS ORDER, 1927.

At the Court at Buckingham Palace, the 7th day of February,
1927.

PRESENT.

The King's Most Excellent Majesty in Council.

Whereas by sub-section (2) of Section 1 of the Rating and Valuation Act, 1925,^(a) it is enacted that as from the 1st day of April, 1927, being the appointed day within the meaning of that Act, all powers and duties of the overseers of the poor in relation to the making, levying and collection of rates, and of any other person who by virtue of any local Act has powers in that behalf, shall in every rating area be exercised and performed by the rating authority :

And whereas sub-section (1) of Section 62 of the same Act provides that after the day aforesaid overseers shall cease to be appointed, and that His Majesty may by Order in Council provide, subject to the provisions of the Act, for the transfer as from that day to rating authorities, or such other local authorities or persons as seems expedient, of the powers and duties of and any property vested in overseers, and that any such Order may contain such supplemental and consequential provisions as appear to His Majesty to be necessary or expedient to make in connection with the abolition of the office of overseer :

And whereas sub-section (3) of the said Section 62 enacts that any reference in any Act or document to overseers in relation to any of their powers or duties shall be construed as references to the rating authority or to the other persons to whom those powers or duties are transferred by or in pursuance of the Rating and Valuation Act, 1925 :

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, and it is hereby ordered, as follows :—

Preliminary.

1.—(1) This Order may be cited as the Overseers Order, 1927, and save as otherwise expressly provided shall come into operation on the 1st day of April, 1927.

(2) This Order shall not extend to Scotland, Northern Ireland, the Isles of Scilly or the administrative County of London.

SETTLE RURAL DISTRICT COUNCIL.

Town Hall,
SETTLE,
13th March, 1929.

Dear Sir,

Fire Brigade.

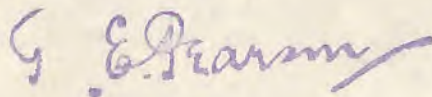

The late Miss. Bryning of Settle by her Will bequeathed a sum of £250 to the Council to be applied as a nucleus of a fund for providing a modern Fire Engine for the Rural District. This offer may be accepted or declined before the 11th June next.

The matter has been under the consideration of a Committee of the Council and they find that the cost of a complete outfit of a modern Motor Fire Engine and appliances would be approximately £1,500 and the balance of £1,250 would (unless some part thereof is forthcoming from some private fund of which the Council have no knowledge) have to be met either out of current rate or else by means of a loan. If the latter course were adopted it is estimated that loan charges would amount to about £150 per year for 10 years. This would be in addition to the cost of upkeep of the appliances and the necessary Fire Brigade.

I am instructed by the Committee who have the matter in hand to bring the same to your notice and to request that you will be so good as to bring it before the Parish Meeting which is about to be held and let me know the views of the ratepayers as expressed at such meeting on the subject.

I shall be glad to receive a reply to this letter as soon as your Parish Meeting has met.

Yours faithfully,

Clerk.

Dear Sir,

Roads, Eldroth.

Your letter of the 26th ultimo was laid before the Council at their meeting on Tuesday last. They instructed me to inform you that when the Committee inspected the road referred to it was certainly not in such a state of repair as would justify them in taking it over, and the Committee must repudiate the statement that any terms have ever been made that the length in question would be taken over.

The transfer of the duty of maintaining the roads to the County Council has further complicated the matter, and under the present conditions the District Council have no power to take over any more roads.

The Surveyor reported that repairs will shortly be carried out to the Eldroth School to Kingsdale Road.

DEAR SIR,

I am to draw your attention to the fact that the term of office of Mr. *R. Hind* as the Representative of the *Lawkland* ~~Urban District~~ ^{Urban} ~~Council~~ ^{Council} on the Body of Managers of the above-named School will expire on or before the 30th June, 1931.

I shall be obliged, therefore, if your ~~Urban District~~ ^{Urban} ~~Parish~~ ^{Council} will proceed to fill the vacancy thus caused, and inform me on the attached Form of the name, address, and description or occupation of the person appointed. It is essential that you should send similar information to the Correspondent of the School, in order that your Council's representative may be summoned to the Meetings of the Managers. I send a duplicate Form for the purpose.

In order to avoid dual appointments being made, I have requested the Correspondent to forward to you the names and addresses of the Foundation Managers.

I may mention that the County Council propose to appoint their Representative on the Body of Managers for a term of three years, ending on the 30th June, 1934, and your ~~Urban District~~ ^{Urban} ~~Parish~~ ^{Council} may deem it advisable to appoint their Representative for a similar period.

In view of the election of the New Council which is about to take place, I have to state that the West Riding Education Committee think it desirable, and doubtless your Council will agree, that the appointment should be made by the newly-elected body at their first meeting.
