Fazor 19th Dec^r 1842

Dear Sir

When I saw you yesterday it had slipped my memory to tell you that I am of opinion that Thomas Huddleston would be a proper person to receive a part of the charity money that is now to distribute as he is an industrious man with a young family and from the connexion I have with him as Road surveyor I know that he is sometimes ill pinched - If you should think him a proper object I am sure any thing that you can spare him will be thankfully received by him

I wrote to Thompson for a List of Paupers belonging Sawkland who have had relief this last Quarter he will bring it with him to settle tomorrow

I am dear Sir

Yours respectfully

Rich^d Clapham

Thomas Ingley Esq^r
