Dear Miss. Foster:

It was a great pleasure meeting you & knowing your avid interest in the history of Horton-in-Ribblesdale.

Mother & I had a marvellous time & felt very welcome.

We did meet w/ Paul Whaley who is definitely a cousin of

Mother's - twice removed. We met his lovely family also. He has done substantial research into the Whaley tree & gave us all the info he had!! If you ever come across anything else on Whaley-Sedgwick & Fawcett, do let us know. Please thank Mrs. Basher at the school for us, as well

as Miss. Hayward.

Best wishes,

Sincerely,

Margie Fawcett
