Dear Miss Davis,

I hope you
are getting on alright. Philip
and I went sledging last night
we are going to go sledging in
our big field it is very steep.
I had some sweets from my
Mother on Monday morning.
My dad is coming home next
week. The water started to run
threw the pipe to-day. Philip
and I like sledging in our
home field. We went sledging
with Nancy this dinner time.
We are going to-night.
What is it like at Bradford?
Bill made us a sledge on
Monday night.

Love from Neville.
