Dear Miss Davies,

I hope you are getting on all right. It has been raining very hard this morning. Philip and I are coming home at Easter, we are coming home with Mrs Fowler. Philip and I have a hot water bottle in our bed every night and it is very hot. We break up on Thursday night. It costs 3s 6d to come home. Jimmy Morphet is writing a letter to his ~~gr~~ <sup>gr</sup> granny who is in Leeds Hospital and is

coming home<sup>2</sup> to-morrow after  
-noon. We have just been  
having drill. Philip and I  
went into the signal box on  
Monday night. I was doctoring  
a hen of Charlie's on  
Saturday morning. What is  
it like at Bradford now?  
I get up in a morning and  
feed Charlie's chickens for him.  
Philip feeds them on a night.  
Philip has got to have four  
teeth filled when he comes  
home.

Love from Neville.
