SOLICITOR,

CLERK.

IN YOUR REPLY }  
PLEASE QUOTE }

11th August, 1920.

Dear Sir,

Sanitary Accommodation. Workshops.  
The Shambles. Settle.

At the Council Meeting yesterday the Surveyor reported that nothing had been done to carry out the works required by the notice which the Council served on you, as the Clerk to the Owners of the above property. He further stated that a suggestion had been made that it would be possible to make use of the public conveniences which the Council are constructing in the basement of the Town Hall.

I was instructed to inform you that any such arrangement would not meet with the requirements of the Factory Acts, nor could the Council consider it a proper provision.

I was instructed to press the Owners of the property to proceed with the work on their own premises without further delay.

Yours faithfully,

*G. E. Ransom*
