- " 14 Gave the 2nd division an Oral lesson on the Catechism. - Geography - Writing as usual. -
- " 15 General examination of the School; the first division very well indeed; the second not so well, in consequence of most

Visit of Mr. Codd
H. M. Inspector

June

of the children meeting not fully enter
ed the school.

" 16 Ordinary progress - during the afternoon
school closed at 12 with 4 c. & 11.

" 14 Ordinary progress.

" 20 Back rules of arithmetic gone through with a
fair result.

" 21 Work done well by first class; second not so
good - Dislike a little better - Mental
arithmetics improved.

" 22 General examination of the whole school.
favor to the Middleman. Arithmetic results
very favorable.

" 23 Progress as usual. - wrote up at 5 o'clock. for
Middleman's studies, & school to commence
again July 31st. (Two weeks)

July 31st

Opened school with a very thin attendance
dance indeed, in consequence of the
very harvest being so late this year.
The oldest inhabitant do not recollect
last having such continued work
and unfavorable weather, as we
have had this summer, and it

Still continued.—

Aug. 7 I still have but very few attendants at school; for the same reason that I gave last week; of course, usual progress is very much impeded.

" 14 Very little, or no improvement in the number of attendances.—

" 21 A few more scholars this morning; the attendance still very thin; and I begin to doubt very much, whether the Parents will not consider, the time too short, to send ^{them} at all, this quarter.—

" 28 Went through the usual routine on Monday.— The sewing mistress poorly, so that the few girls that was here, could not sew.—

" 29 Progress as usual.—

~~the same~~

Sep. 4th

Commenced with two more scholars this morning.— Made the usual progress.

- Sewing in the afternoon.—
- Sept 5th Mental arithmetic, for the first time this quarter, the boys have nearly all left that are of the proper age to receive it:—
- " 6 Went over the back rules of arithmetic; very fair indeed.—
- " 7 History (the Home Lessons) not so well as I could wish.—
