Summary of the Inspector's Report
on the School and Remarks (if any)
to be made.

"The work is generally of a satisfactory character. Reading is moderate in the first Standard, otherwise it is of very fair merit. Arithmetic is weak in the first and fifth Standards, it is satisfactory in other Standards, all the work of the seventh Standard being very well done. The first Class has an intelligent knowledge of Grammar. The building and playground should be repaired in the manner indicated to the Managers during the Inspection."
