baby brother can walk an elder sister has

1875

May
17 & 1821st

gone out to service. Children have improved
in Standard work. To day examined
them in Arithmetic. School visited by
Rev. J. H. Lykes & Mr. G. Lovell (manager)
Holidays on Whit Monday and Tuesday
Commenced school on Wednesday.

Numbers very low indeed. Thursday
a very wet day, numbers still low.
Average for the week 14. Children very
much better in Memorization than
at first. They nearly all have
got into the habit of counting on
their fingers. I find a difficulty in
breaking them off it. Reading still
moderate, pronunciation bad.

28th

On Wednesday there was a Life Boat
Demonstration at Letley. Took the
school children to walk in the
procession. Attendance better than last
week. Deley Parsons still sick. Have

" 31st Holiday yesterday afternoon. He admitted John Standley. Visitors Mr. Sykes on Friday morning. Miss Guldard with the Rev. & Mr. P. & Miss Pemberton Friday afternoon.

Sept 7th Beginning of 2nd Quarter this week. Lessons according to same table. No visitors.

" 14th A. was Chap of Epiphany's service in the school. which returned this week. They have been away

Summary of the Inspector's Report.

"This is a very well kept, well ordered and well taught little school. Both the room and the children are very neat and clean, the singing is very good and the standard work, classwork, except some of the grammar, and needlework are most satisfactory.

The reading books in use are rather too easy. Maps of India & Yorkshire would be useful additions to the apparatus. Some additions to the officers are needed which I understand the managers will supply at once.
