CLAPHAM WILLS 1602 – 1700

As at 10 November 2020 MJS

This is not a complete list.

The catalogues at the Lancashire Record Office at Preston, the Borthwick Institute in York and the National Archives have been checked. However, the LRO catalogue entries from 1600 to 1640 only are incorporated here: the complete list to 1700 is very extensive.

Beware spelling differences in catalogues and difference between probate and will dates

Some dates are modern calendar.

Why are some in the LRO and some in Borthwick?
