Dear Sir/Madam

Selside Village Green

I refer to previous correspondence in this matter.

As you are aware, the Economic Development and Environmental Issues Sub-Committee will need to consider this application on 7 January 1997.

In the circumstances it will be helpful to receive further evidence in respect of the Nissan huts and other structures on the site of the claimed Village Green. If you are able to clarify, with reference to evidence, when any or some of these structures existed, I will be grateful to receive it.

I have made a similar request for this information from Mr Morphet and Mrs H C Sergeant.

I look forward to hearing from you as soon as possible and at least in advance of the meeting on 7 January 1997. Thank you for your assistance.

Yours faithfully

*R T Daly*

*Tel. No. 13/1/97: He has not looked at the case again but wd like to look up various cross references mentioned in the relevant Act. He'll then inform Horton PC (Helen S.), J.H. Morphet + Selside Residents Assoc. and fill me in. I gave him Dr Ferrer's address as Dr Ferrer claims poss. rights over the Village Green. Had tel. Mr Ross previous week (Wed. 8/1) asking him to inform Horton P.C. by today as P.C. would meet in the evening.*
