 Mrs. Dawson,  
 Blea Moor Cottages,  
 c/o Station Master,  
 Ribbleshead Station.

Dear Madam,

It has come to my notice that your house was used to accommodate injured passengers in the mishap last Friday, 18th April, at Blea Moor, and that you also provided certain linen to be used as bandages etc. I believe too, that your small daughter acted as a messenger, and I want you to know how much your services are appreciated.

You will no doubt let the Station Master have full particulars of the use of any household equipment.

Yours sincerely,

 A. F. Fielding
